Beg to call the attention of the Canadian Public to their

Immense Establishment

which has grown to its present gigantic dimensions by

Fair Trading, Reasonable Prices, and Choice Goods.

We import direct from the Manufacturers in Europe all our Cottons, Linens, Silks, Shawls, Dresses, Ribbons, Laces, Millinery Goods, Cloths, Tweeds, &c., and we manufacture our own Ready-made Clothing from the best of English, Scotch and Canadian Cloths.

OUR MANTLE DEPARTMENT has become one of the distinctive features of our growing trade. We have secured the services of a lady and gentleman from London, England, to manage it, and for Style, Variety and Cheapness, we defy the Dominion.

OUR MILLINERY as usual, is up to the mark. We need only say that Miss KENNEDY superintends it, to give an idea of the importance of this leading department.

Our 10 cent Factory Cotton is just the same as other houses sell at 12½ cents. Please call and see our magnificent stock, and we will serve you well with **One Price, Cheap Goods, and Upright Dealings.**

PREFACE.

In submitting the EAST AND WEST RIDINGS OF THE COUNTY OF YORK DIRECTORY to the public, the publisher is desirous of acknowledging the uniform courtesy shown him in collecting the requisite matter for the same, and takes pleasure in presenting the results of his efforts for the patronage of a generous public, indulging the hope that they will duly consider the many difficulties which surrounded the enterprise, and overlook any errors that may hereafter appear.

The correct compiling of a Directory is an undertaking of considerable difficulty, entire accuracy never having been obtained. Every effort has been made to procure reliable information in all cases, and the work is claimed to be as free from errors as most works of a similar nature. In conclusion, the work is presented to the inhabitants of the East and West Ridings of the County of York, with the hope that it will meet with that approval which it has been the earnest endeavor of the publisher to secure.

JAMES RANDLE NASON.

Weston, March, 1871.

Entered according to Act of Parliament of Canada, in the year One Thousand Eight Hundred and Seventy-one, by JAMES RANDLE NASON, in the office of the Minister of Agriculture.

TOWNSHIP OF SCARBORO'.

The township of Scarboro' is bounded on the north by the township of Markham, on the south by lake Ontario, on the east by the county of Ontario, and on the west by the township of York. The late David Thomson, Esq., was the first settler in Scarboro' (Con. 1, Lot 24), where he arrived in 1796. Mr. Thomson was a native of Westkirk, Dumfries-shire, Scotland, and cleared the first land in the township. He died on the 22nd of June, 1834, aged 71, leaving his wife eleven children. His wife, Mary Thomson, (known as the "Mother of Scarboro'") died on the 8th of November, 1847, aged 80 years, leaving behind her above 100 descendants. The soil of Scarboro' is excellent, especially in the north-western part of the township; in the vicinity of the Rouge (or north-eastern part) it is more rugged, some of it being almost unfit for cultivation.

TOWNSHIP OF YORK.

The township of York is bounded on the north by the townships of Vaughan and Markham, on the south by lake Ontario, on the east by the township of Scarboro', and on the west by the township of Etobicoke. The late John Dennis, Esq., a United Empire Loyalist, who settled on the banks of the Humber (near Weston) in 1792, was the first settler in the county of York. Mr. Dennis was born in Pennsylvania, U. S., and was expatriated during the American Revolution on account of his unswerving attachment to the British Crown. Mr. Dennis' father received the same treatment for his loyalty at the hands of the United States Government. His son, the late Joseph Dennis, Esq., J.P., served faithfully in the defence of this country during the war of 1812.

The oldest inhabitant of York is Mr. Edward Simcoe Wright, who was born 6th Sept., 1794 at the Old Garrison, which was blown up by the Americans in the year 1812.

The land of York is of fair quality and can boast of some excellent farms.

Woodbridge—Vaughan township. A village situated on the river Humber, and a station on the Toronto Grey and Bruce Railway. This village was laid out by the late Roland Burr, Esq., about 1835. F. J. Bunt, Esq., and Captain Nathaniel Wallace were amongst the first settlers. The *Woodbridge Works*, for the manufacture of agricultural implements, carried on by Mr. John Abell, are the largest in the county. Woodbridge contains two excellent general stores, Messrs. Roe & Bro. also carry on large woollen mills, which give employment to a large number of hands. Population about 600.
